# Summer 2023

# Color Splat

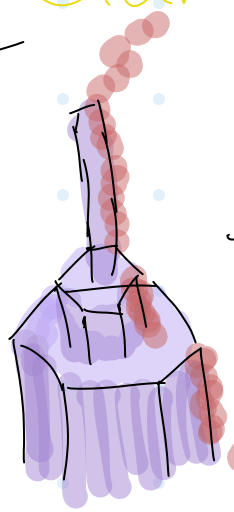

## Character design

## Enemy design

## Game Play

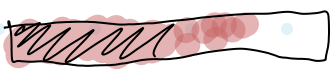

- Each Color world will have a tower. Must locate it and build and defend connection points

x6 per World

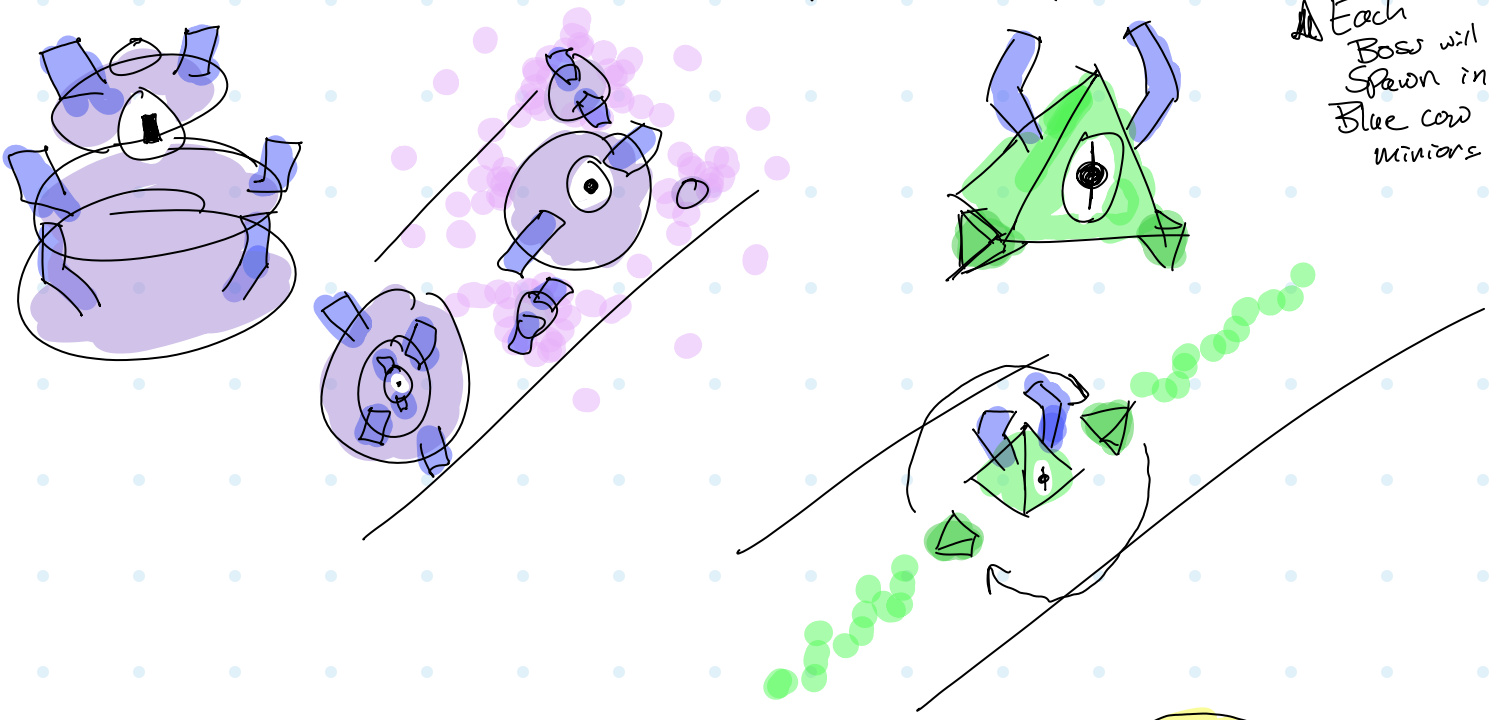

- The interglactical Blue Cows have taken over the universe. You must liberate the other Colors!

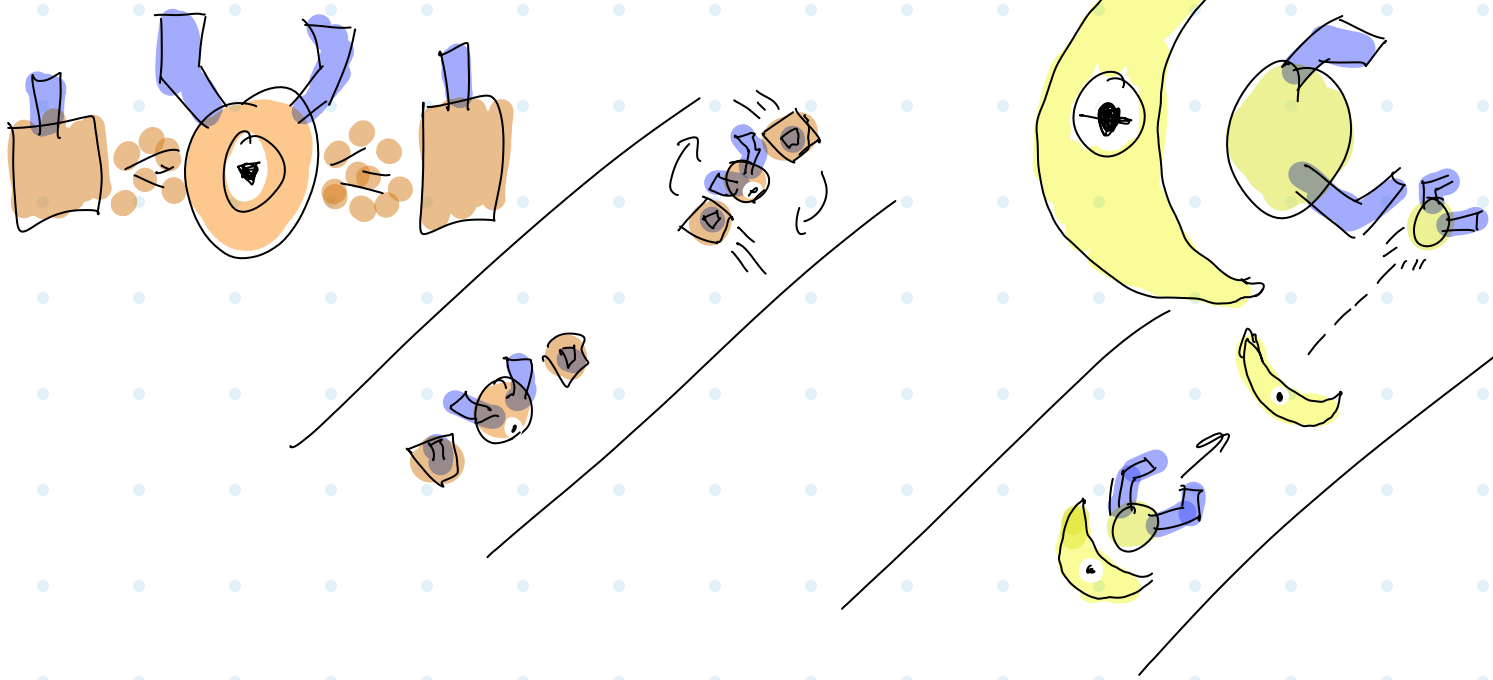

- Once World is Saved Probably can unlock a new move Set. (different drawings in the ground)

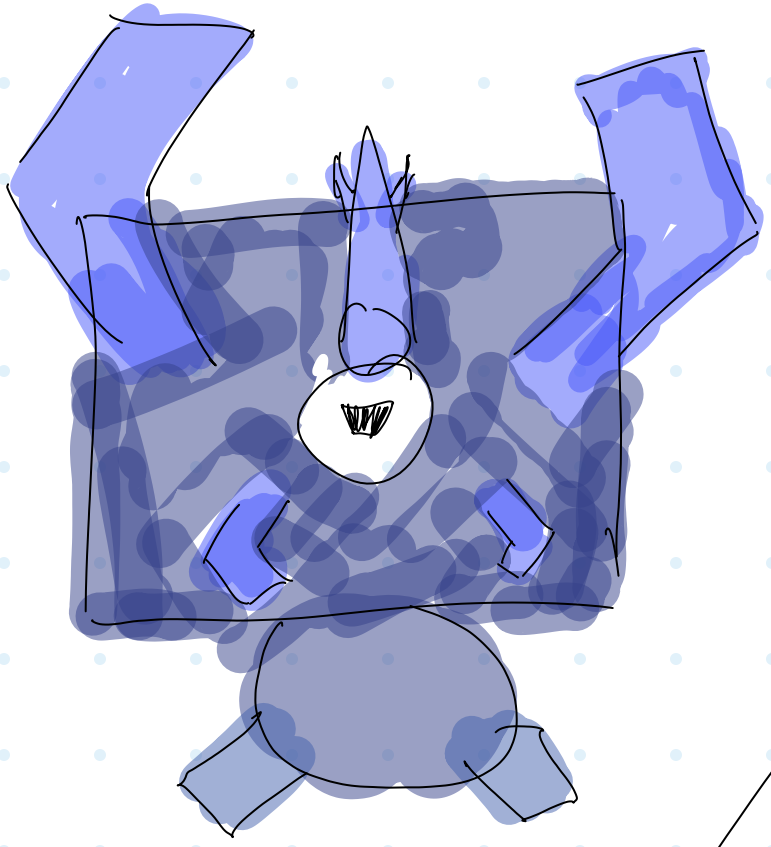

# Bosses

- Each World will have a boss. Hijacked leader from respected color world.
- Each Boss will Spawn in Blue cow minions

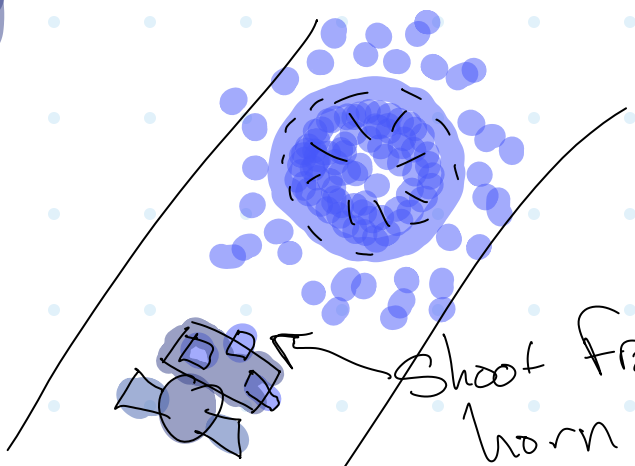

- To defeat must dodge attacks while building a Wall or Splat Zone that will Stun the boss allowing an attack by Surrounding it in a Circle. (Damages the horns)

- Leader Cow
- Same movesets as minions plus extra

## Game modes

- Boss Rush
- One life
- Endless

- Village Safe Zone to walk around and maybe collectables

## Movement

- Track Pad with action button
- Drag finger (like attached to a string)
- Tilt
